

KPIG Marks Major Milestones at MNC Lido City SEZ with Trump International Golf Club Lido Topping Off and Private Clubhouses (Phase 2) Groundbreaking

Bogor, February 7, 2026 – PT MNC Tourism Indonesia Tbk (IDX: KPIG) today marked a series of major milestones in the development of the MNC Lido City Special Economic Zone (SEZ) through the official Topping Off Ceremony of Trump International Golf Club Lido and the Groundbreaking of the Private Clubhouses (Phase 2).

Strategically situated within the MNC Lido City SEZ in Bogor, West Java, Trump International Golf Club Lido offers a distinct geographical advantage at an elevation of 700 meters above sea level.

“ The topping off of Trump International Golf Club Lido is a resolute statement of MNC Tourism’s seriousness and execution capability. This state-of-the-art golf course has already proven to be the best-in-class, providing an unforgettable experience for golfers. This clubhouse is not merely a supporting amenity, it is projected to be a significant revenue driver for MNC Tourism, while simultaneously delivering long-term value to all our stakeholders. ”

– Hary Tanoesoedibjo, Executive Chairman of MNC Group

“ The structural completion of Trump International Golf Club Lido marks a significant step in our mission to create one of the most luxurious destinations in Southeast Asia. This club is a testament to the incredible collaboration between The Trump Organization and MNC Tourism, and it will serve as the centerpiece of this world-class resort. We are excited to see our shared vision of excellence come to life here in Lido. ”

– Eric Trump, Executive Vice President of The Trump Organization

Following the successful operational launch of Trump International Golf Club Lido, the 18-hole championship-style course designed by Ernie Els was named “Indonesia’s Best Golf Course” by the World Golf Awards in 2025. The completion of the clubhouse structure signifies the final phase of this architectural landmark, which will deliver premium facilities, elevating the most exclusive golfing experience in Indonesia.

Spanning a Gross Floor Area (GFA) of 33,322 m², Trump International Golf Club Lido, features the visionary design of Oppenheim Architecture, a multi-award-winning architecture and interiors firm with projects in more than 25 countries. This world-class facility will feature two signature restaurants, including the Golfers Terrace and Trump Restaurant; two exclusive lounges, the Members Lounge and Platinum Lounge; the Champions Bar; a grand 3,250 m² ballroom; an expansive 8,000 m² events lawn with a dedicated pre-function area; nine meeting and multipurpose event rooms; a bridal and multipurpose room; five private dining rooms; nine golfers’ suites with private locker rooms; a Platinum locker room with 150 lockers; a member and guest locker room with 204 lockers; a ladies’ locker room with 68 lockers; a fully appointed pro shop; and a luxury goods boutique.

Advancing this ambitious expansion, today’s event marked the Groundbreaking of the Private Clubhouses (Phase 2), officially commenced through a symbolic foundation stone-laying ceremony led by MNC Tourism’s management. By harmonizing a sophisticated modern lifestyle with world-class hospitality, Trump International Golf Club Lido continues to exceed the expectations of elite members and premium guests, further solidifying its position as a global icon of luxury.

Trump International Golf Club Lido’s Private Clubhouses is located in the heart of MNC Lido City SEZ, just an hour’s drive from Jakarta, sitting 700 meters above sea level, offering breathtaking views of Mount Salak, Mount Gede, and Mount Pangrango.

Limited to 21 semi-furnished units (Phase 1), each private clubhouse is steps away from the prestigious Trump International Golf Club Lido.

Designed for corporate ownership, the private retreat is intended to accommodate executive meetings and host distinguished guests. The facilities feature premium amenities, including state-of-the-art locker rooms, shower facilities, and private lounges, all finished with high-quality materials.
